Did you know that the ANF and its affiliated resorts and clubs issue passports to genuine nudists? The passport is issued to us by the International Nudist Federation. (INF) The passport will guarantee you access to INF affiliated resorts and clubs in Australia as well as venues overseas.

If you hold a current ANF Passport you should be entitled to discounts at various clubs and resorts here and overseas, just ask. It makes overseas travel much easier as the places you visit will accept you without question and wont need to hold your Australian Govt passport during your stay.

The ANF collects a small fee for the passports and uses that money to fund beach carnivals and all the advertising and other publicity that we do here and internationally.

If downloaded, this document is all you need to find details about our service providers in Australia. The websites and email addresses are hyperlinked for easy navigating. You can find the document on our website or our facebook page. The ANF website has a calendar of events but if you don't tell us what is on, we can't advertise it for you.

Resorts can now offer membership to the ANF and supply INF passports, as described above. This is called a premium resort club passport and, because it is issued by a resort, it verifies the owner to be a person of good standing.

The ANF is a "not for profit" incorporated organisation that is run by unpaid volunteers! Support Naturism! Support the ANF 210517
